

# Limited Product Warranty

## Ozark River Manufacturing

(Manufacturer) warrants its products to be free of defects in materials and workmanship due to manufacturing errors and are subject to the conditions, limitations, and exclusions set forth below.

There is no other express warranty. Implied warranties, including those of fitness for a particular purpose, are limited to two years from date of manufacture, or to the extent permitted by law any, and all implied warranties are excluded.

Liability for incidental or consequential damages are excluded to the extent exclusion to the extent exclusion is permitted by law.

Some states or countries do not allow limitations on how long warranty lasts, and some states or countries do not allow the exclusion or limitation of incidental or consequential damages, so the able limitation and exclusion may not apply to Purchaser. This warranty gives Purchaser specific legal rights and Purchaser may also have other rights, which vary from state to state and country to country. We authorize no person to change or add to any of our obligations under this warranty. Our obligations for service and parts under this warranty must be performed by the Manufacturer only.

## WARRANTY PERIOD

- New Indoor Products.....2 Years
- New Outdoor Products .....1 Years
- Reconditioned Products..... 90 Days
- Quick Connect ..... 90 Days

The Warranty Period begins on the delivery date. This Warranty is applicable only to the Original Purchaser of the warranty product and is not transferable. All secondary owners are exempt from receiving warranty service, including all and any products transferred from business sales, online auctions or other means of obtaining our products other than directly from an authorized dealer. Proof of purchase and product registration are required for any limited warranty on Ozark River Manufacturing Co. products.

## WARRANTY REMEDY

The Manufacturer will repair the Product within a reasonable time and without charge for materials or labor. If the Manufacturer is unable to repair the Product after a reasonable number of attempts as determined by the Manufacturer, the Manufacturer will provide a replacement Product at Manufacturer's option.

## NOT COVERED BY WARRANTY

1. Normal wear and tear.
2. Conditions resulting from a defect in a component or part, which is not part of the product or manufactured by Manufacturer.
3. Unauthorized service or modification to unit of any kind, and repairs performed by any person or entity other than Manufacturer.
4. Conditions resulting from a failure to follow Manufacturer's installation guides and/or Owner's Manual, including any violation of use restrictions expressed therein.
5. Conditions resulting from failure to provide reasonable and necessary maintenance in accordance with the Owner's Manual, including failure to winterize the portable sink according to the Owner's Manual.
6. Corrosion that is caused by operating the Product with any fluid other than potable water. Specifically, water must meet EPA Standards and have PH maintained between 7.0 and 9.0 at all times.
7. Conditions that may result in excessive scale build up within the Product.
8. Conditions resulting from improper draining or filling of water tanks.
9. Freight damage or damages of any kind.
10. External causes such as theft or loss, improper use, inadequate power supply, or acts of God.

## FREEZE WARNING!

This product contains components that can be damaged due to cold weather and frozen water. DO NOT store your sink unit in temperatures below 45°F without Winterizing. Doing so will cause damage to the pump, heater, water lines, or other connections. Any damages resulting from improper storage are not covered under this Warranty. Following all maintenance and care instructions will ensure long product life.
